Hi Anna,

I have checked internally and we do not typically require any permits.

Applicants are not required to get Council permission to perform door knocking for fundraising purposes.

If you are required to get permission from Victoria Police and they ask for proof of Council support you may wish to use this correspondence in your application.

If you have any further questions please do not hesitate to contact me on the below details.

Kind Regards,

Hi Anna,

I refer to your email below seeking consent to conduct intersection collections within Banyule City Council for Good Friday Appeal.

We have no objection to your request to conduct intersection collections between the hours of **8:30am** to 5pm on the following dates,

- Wednesday 27<sup>th</sup> March 2024 to Friday 29<sup>th</sup> March 2024

at the following intersection within Banyule, **subject to Victoria Police approval and the requirements of the Road**

**Safety Regulations 1999 and Fundraising Act 1998.**

Since the introduction of the Fundraising Appeals Act 1998, we no longer issue permits for intersection collections, but note the event to avoid conflicting collections.

Please note that there are no conflicting collections on this date. However, we have had to modify the permitted start time from 7:00am (as requested) to 8:30 am due to the late sunrise that occurs during these dates.

This email may be submitted in support of your application.

Yours sincerely,

**Subject:** 2024 Good Friday Appeal - Collection Permit Application

To Whom It May Concern,

Thank you for supporting the Good Friday Appeal this year by providing collection permits for volunteers within your district. We greatly appreciate your time and guidance in the lead up to Good Friday. This year's result of **\$23,061,320** for the Royal Children's Hospital can be attributed to the generous involvement of organisations and communities throughout the state.

We are now currently underway in planning next year's Appeal. As I am sure you are aware, a change in legislation a few years ago requires all collection permit applications to be submitted to Victoria Police no later than 10 weeks prior to the event date. Therefore, we are seeking permits from Councils well in advance to ensure we can meet the Victoria Police deadline.

We understand that some councils don't process permit applications earlier than two months prior to the event date, but given the time restraints placed on us by Victoria Police we are asking that you make an exception and process our application as soon as possible.

We are also aware that some councils have no objection to intersection collections or door knocks and as such, do not provide a permit. However we require official documentation from all councils in order to complete the application for Victoria Police so we are requesting formal written approval from you.

So that the Appeal can apply for a state-wide Police Permit, I would be grateful if you could include all locations listed below in your correspondence and return to me by **Friday November 03, 2023**.
